Subject: Appreciation Certificate

It gives me pleasure to disclose that Hand in Hand with Educated and Labour People (HHELP) - Johi has remained most active organization in the wake of Covid-19 in Taluka Johi.

I hereby extend my thankfulness to this organization and highly appreciate support to Taluka administration during this emergency.

I am also pleased to say that the leader of HHELP, Mr. Fahad Rind has stood with us and provided a group of young, energetic volunteers to contain spread of Covid-19 in Johi. Looking forward for more effective coordination between us in future as well.
